Daily Observed Purchase Value

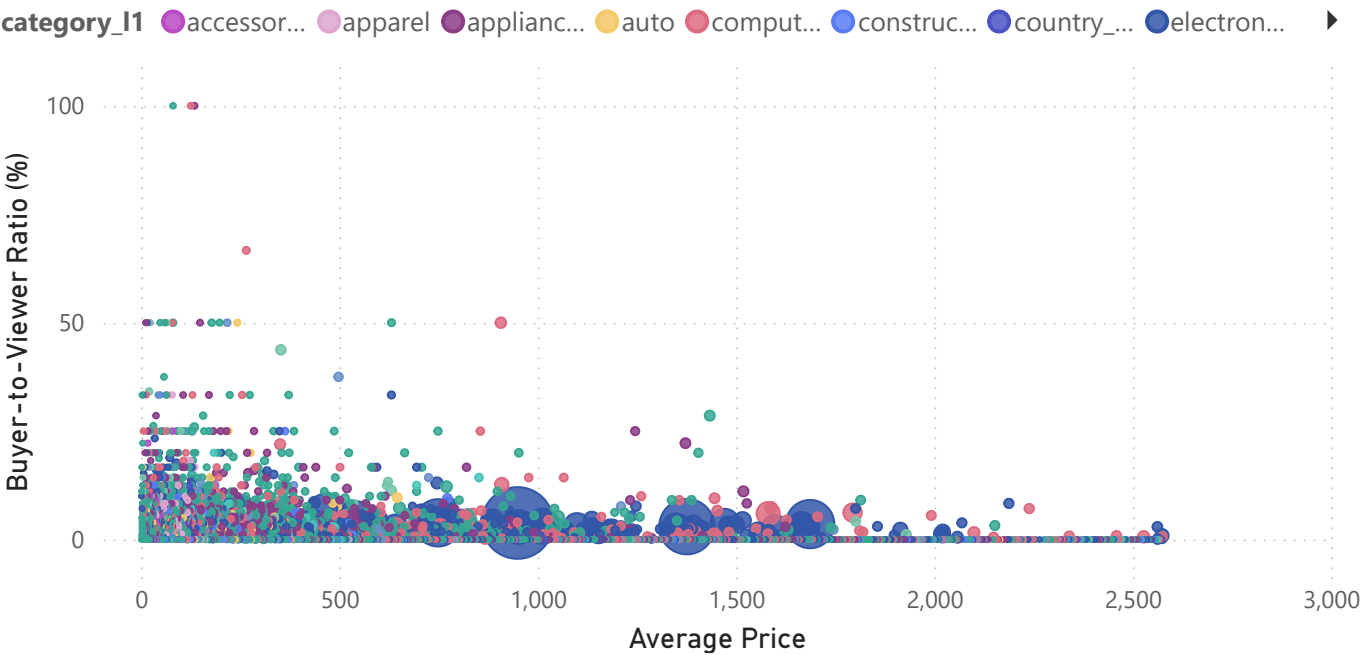

Top 10 Brands by Observed Purchase Value

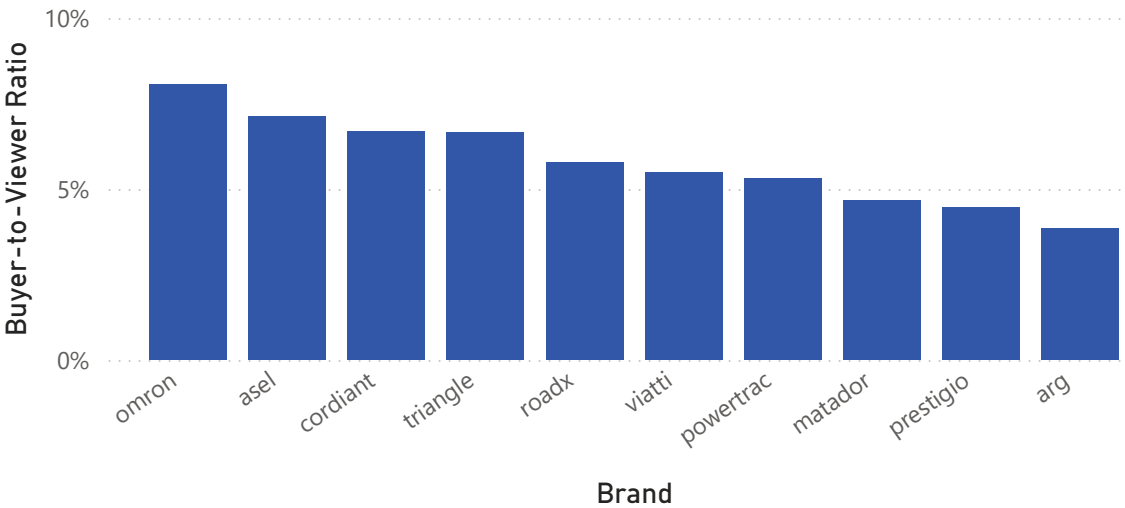

Observed Purchase Value by Category

Average Price vs Buyer-to-Viewer Ratio

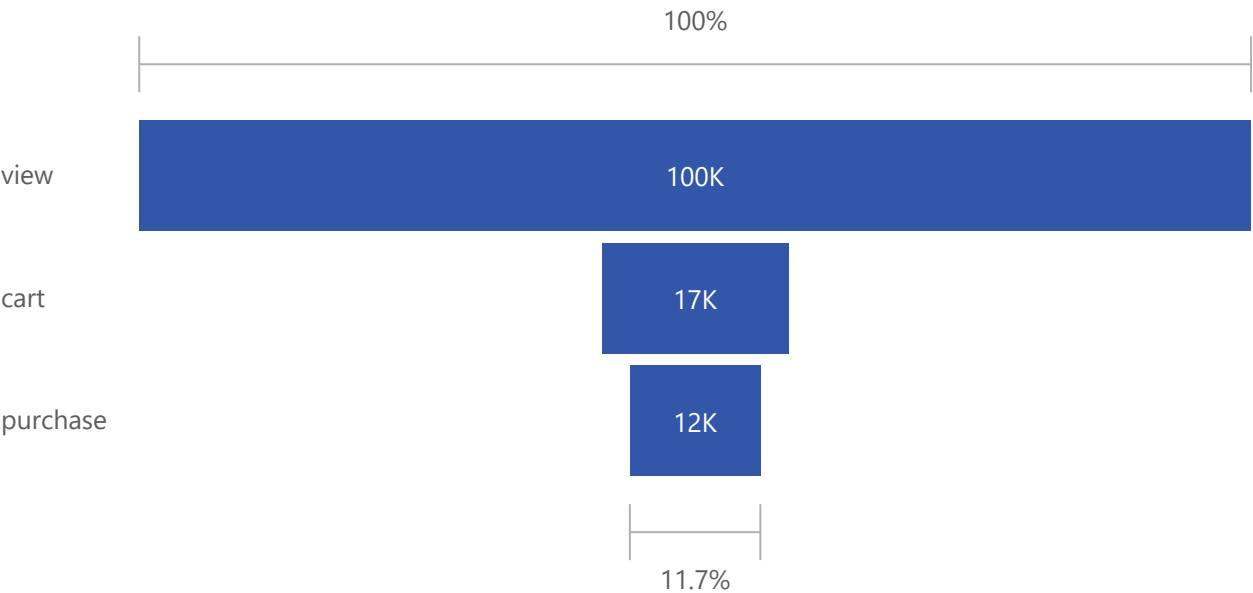

Brand Buyer-to-Viewer Ratios (%)

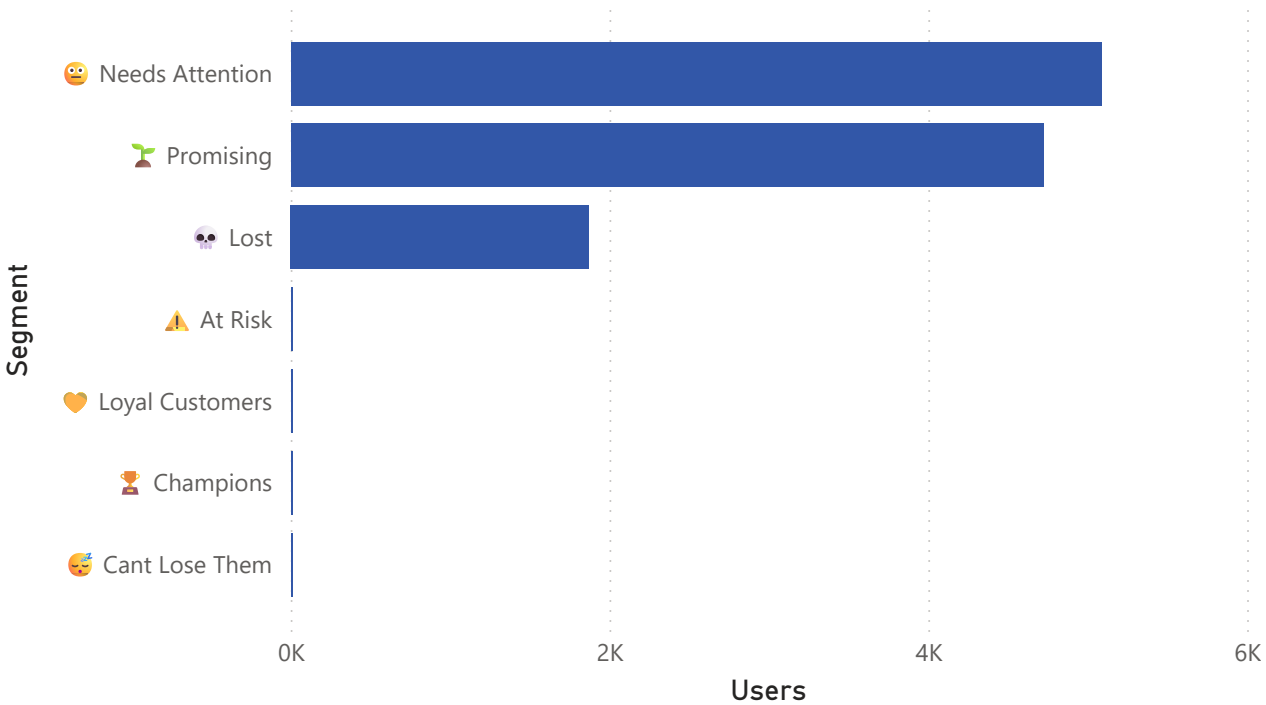

Buyer-to-viewer ratios are directional and do not represent a same-session, same-product sequential conversion funnel.

Directional Stage Participation

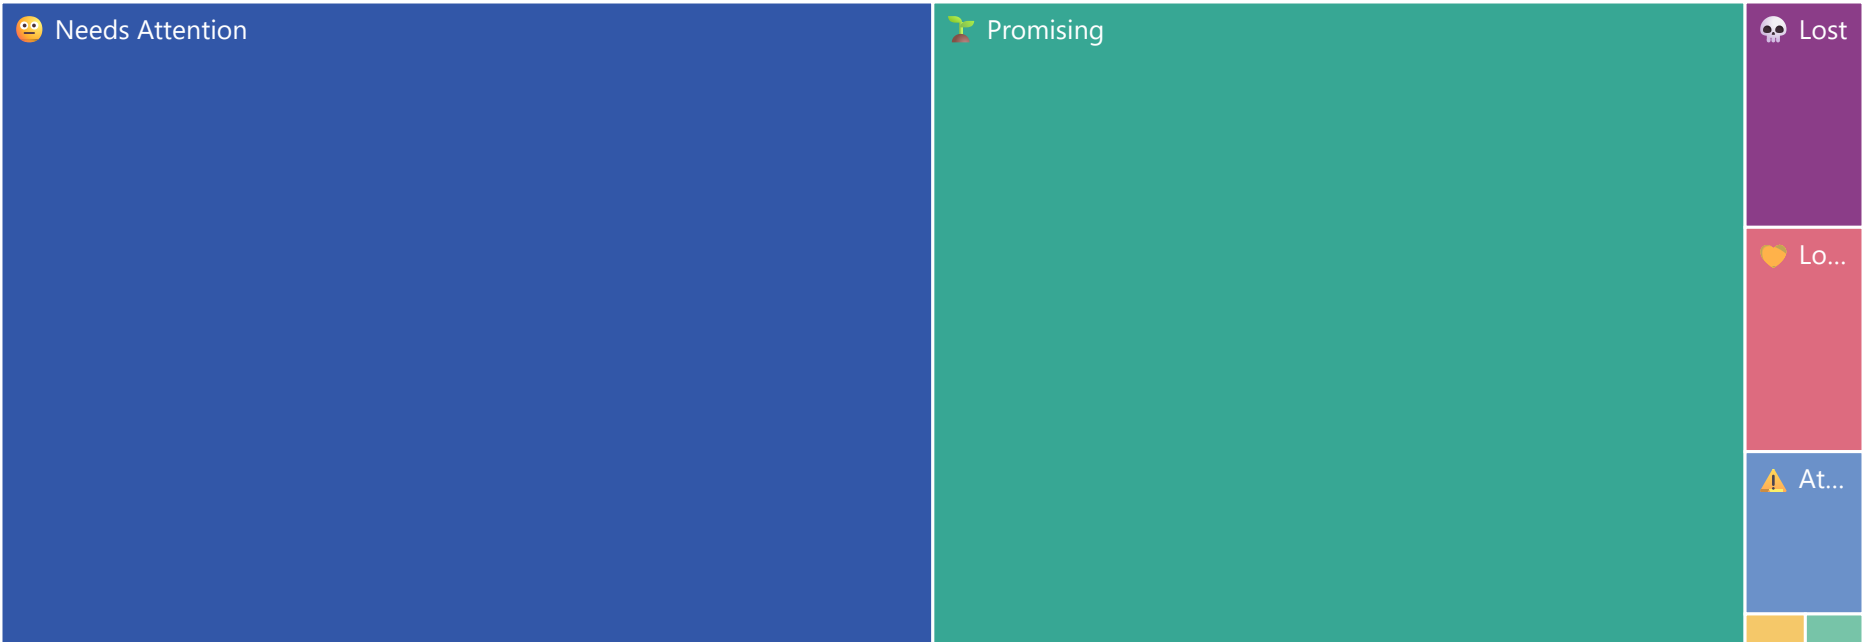

Distinct-user stage counts across the combined analytical sample.
This is not a same-session, same-product, time-ordered conversion funnel.
